Sliding Fee Scale Discount Program 2024 Guidelines

Sliding fee calculations are determined by using Federal Income Tax forms, last 30 days of paycheck stubs or unemployment verification. Staff then uses the table below to determine eligibility. Qualifications for the Sliding Fee Discount Scale are based on two factors: household size and income. In order to determine whether you will qualify for a discounted fee, follow the directions below.

1. Find the row on the chart that lists the number of individuals in your household. This number should include yourself, your spouse/partner, and children.
2. Next find your gross income to determine eligibility for the program.

Title: Sliding Fee Discount Program

Purpose: To make available discount services to those in need

Policy:

This program is designed to provide discounted care. In addition to quality healthcare, patients are entitled to financial counseling by someone who can understand and offer possible solutions for those who have no means, or limited means to pay for their healthcare services.

Copper River Native Association (CRNA) will offer a Sliding Fee Discount Program (SFDP) to all patients. CRNA will base program eligibility on person's ability to pay and will not discriminate on the basis of age, gender, race, sexual orientation, religion, disability, or national origin. The Federal Poverty Guidelines are used in creating and annually updating the sliding fee schedule to determine eligibility.

1. **Notification:** CRNA will notify patients of the SFDP by:
 - a. Payment Policy Brochure will be available to all patients at the time of service.
 - b. Notification of the SFDP will be offered to each patient upon admission.
 - c. SFDP application will be included with collection notices sent out by CRNA.
 - d. An explanation of our SFDP and our application form are available on CRNA website.
 - e. CRNA places notification of SFDP in the clinic waiting area.
2. All patients seeking healthcare services in Primary Care, Behavioral Health and Dental at CRNA are assured that they will be served regardless of ability to pay. **No one is refused service because of lack of financial means to pay.**
3. **Request for Discount:** Request for discounted services may be made by patients, family members, social services staff or others who are aware of existing financial hardship. Information and forms can be obtained from the Front Desk and Billing Specialist.
4. **Administration:** The SFDP procedure will be administered through CRNA's Billing Specialists or his/her designee. Information about the SFDP policy and procedure will be provided and assistance offered for completion of the application. Dignity and

POLICIES AND PROCEDURES

confidentiality will be respected for all who seek and/or are provided charitable services.

5. **Internal Administration:** The SFDP is offered for all services within the approved HRSA scope of project as defined on the organization's Form 5A.

If the client has third-party coverage, the discount will be applied to ensure the client is charged no more for any out-of-pocket costs than they would have paid under the applicable SFDS discount pay class.

6. **Alternative Payment Sources:** The discount will be posted after all alternative payment resources are exhausted, including all third-party payment from insurance(s), federal and state programs. Have you applied for Medicaid in the last year? Yes _____ or No _____

7. **Completion of Application:** The patient/responsible party must complete the SFDP application in its entirety. By signing the SFDP application, persons authorize CRNA to confirm income as disclosed on the application form. Providing false information on a SFDP application will result in all discounts being revoked and the full balance of the account(s) restored and payable immediately.

If an application is unable to be processed due to the need for additional information, the applicant has two weeks from the date of notification to supply the necessary information without having the date on their application adjusted. If a patient does not provide the requested information within the two week time period, their application will be re-dated to the date on which they supply the requested information. Any accounts turned over for collection as a result of the patient's delay in providing information will not be considered for the SFDP.

8. Discounts will be based on income and family size only. CRNA uses the Census Bureau definition of each.
- a. **Family** is defined as: a group of two people or more (one of whom is the householder) related by birth, marriage, or adoption and residing together; all such people (including related subfamily members) are considered as members of one family.

COPPER RIVER NATIVE ASSOCIATION

- b. **Income** includes: earnings, unemployment compensation, workers' compensation, Social Security, Supplemental Security Income, public assistance, veterans' payments, survivor benefits, pension or retirement income, interest, dividends, rents, royalties, income from estates, trusts, educational assistance, alimony, child support, assistance from outside the household, and other miscellaneous sources. Noncash benefits (such as food stamps and housing subsidies) do not count.
- 9. **Income Verification:** Applicants must provide one of the following: prior year W-2, prior year tax return, last 30 days' worth of pay stubs and a letter from employer verifying hours, or Form 4506-T (if W-2 not filed). Self-employed individuals will be required to submit detail of the most recent three months of income and expenses for the business. Adequate information must be made available to determine eligibility for the program. **Self- declaration of Income** may only be used in special circumstances. Specific examples include participants who are homeless. Patients who are unable to provide written verification must provide a signed statement of income, and why (s)he is unable to provide independent verification. This statement will be presented to Copper River Native Associations CEO or his/her designee for review and final determination as to the sliding fee percentage. Self-declared patients will be responsible for 100% of their charges until management determines the appropriate category.
- 10. **Discounts:** Those with incomes at or below 100% of poverty will receive a full discount and only be assessed a nominal fee. Those with incomes above 100% of poverty, but at or below 200% of poverty, will be charged according to the attached sliding fee schedule. For example - patients between 101%-150% of FPG will receive a 75% discount, between 151%-175% will receive a 50% discount and between 176%-200% will receive a 25% discount. The sliding fee schedule will be updated during the first quarter of every calendar year with the latest Federal Poverty Guidelines: <https://aspe.hhs.gov/poverty-guidelines>.
- 11. **Nominal Fee:** The nominal fee amount will be set at a level that would be nominal from the perspective of the patient and will not reflect the actual cost of the service being provided.

It has been determined, that patients receiving a full discount will be assessed a \$10 nominal charge per visit. CRNA will ensure that the nominal charge is less than what a patient in the first discount category would have to pay. However, patients will not be denied services due to an inability to pay. The nominal fee is not a threshold for receiving care and thus, is not a minimum fee or co-payment.

COPPER RIVER NATIVE ASSOCIATION
POLICIES AND PROCEDURES

12. **Waiving of Charges:** In certain situations, patients may not be able to pay the nominal or discount fee. Waiving of charges may only be used in special circumstances and must be approved by Copper River Native Associations CEO or designee. Any waiving of charges should be documented in the patient's file along with an explanations (e.g., ability to pay, good will, health promotion event). All waiving of charges will be reported and summarized to the Board of Directors and reviewed at the next scheduled Quarterly Board Meeting.
13. **Application Notification:** The SFDP determination will be provided to the applicant(s) in writing, and will include the percentage of SFDP write off, or if applicable, the reason for denial. If the application is approved for less than 100% discount or denied, the patient and/or responsible party must immediately establish payment arrangements with CRNA Primary Care. SFDP application covers patient balances incurred within 12 months after the approval date, unless their financial situation changes significantly. The applicant has the option to reapply after the 12 months have expired or if there has been a significant change in family income.
14. **Refusal to Pay:** If a patient verbally expresses an unwillingness to pay or vacates the premises without paying for services, the patient will be contacted in writing regarding their payment obligations. If the patient is not on the sliding fee schedule, a copy of the SFDP application will be sent with the notice. If the patient does not make effort to pay or fails to respond within 60 days, this constitutes as refusal to pay. At this point in time, CRNA can explore options not limited to, but including, offering the patient a payment plan, waiving of charges, or referring the patient to collections.
15. **Record Keeping:** In an effort to preserve the dignity of those receiving discounted care, information related to SFDP decisions will be maintained and preserved in a confidential file located in the CRNA's shared drive.
- a. Applicants that have been approved for the SFDP will be logged in a password protected document on CRNA's shared directory, noting names of applicants, dates of coverage and percentage of coverage.
 - b. The Billing Specialists will maintain a monthly log identifying SFDP recipients and discount percent. Denials will also be logged.
16. **Policy and Procedure Review:** Annually, during the first quarter of each year, the amount of the SFDP provided will be reviewed by the CEO and/or Board of Directors. The Sliding Fee Discount Scale will be updated based on the current Federal Poverty Guidelines. Pertinent information comparing amount budgeted and actual community care provided shall serve as a guideline for future planning. This will also serve as a

COPPER RIVER NATIVE ASSOCIATION
POLICIES AND PROCEDURES

discussion base for reviewing possible changes in our policy and procedures and for examining institutional practices which may serve as barriers preventing eligible patients from having access to our community care provisions.

17. **Budget:** During the annual budget process, an estimated amount of SFDP service will be placed into the budget as a deduction from revenue. This SFDP will be an integral part of the annual budget and must have Board approval.

I confirm that I have read, understand and agree to the above policy and procedure for enrollment in Copper River Native Associations SFDP.
